

Welcome to the world of Erin Nicholas Romance!

Are you in the right place? Let's find out!

1. Do you like hot contemporary romance (no mentions of petticoats or Regency England or highlanders or pirates! Okay, the pirate thing isn't totally true but it was a fun, role-playing thing in... never mind... moving on!)

If YES then...

2. Are you cool with sex scenes that leave the doors wide open, dirty talk about body parts, and other naughty words (yes, including some swearing)?

If YES then...

3. Are you into books that all have their own happy ending but may also introduce you to some secondary characters that get their own books?

If YES, then...

**Here's a guide that will take you through my books
and help you find the stories and characters you'll love most!**

If you love
